**Ward Promises**

At our most recent Ward Panel Meeting in February 2016 the panel and Police agreed to the following ward promises.

**ASB on the ward** - Police will be conducting patrols around hotspots where anti social behaviour is being reported. Patrols are ongoing and feedback we have received from shop keepers is that general anti social behaviour has been considerably reduced over the last few months.

**Shoplifting** - On Central Parade we will be conducting reassurance patrols and working with shop owners to identify offenders. Comparing figures over the same period as last year, we have seen a huge drop of 66% with regards to shoplifting on the ward.

**Theft of / from Motor Vehicles** - We will be conducting pro active patrols and leafleting around the ward to increase awareness and advise on how to keep your items safe. Patrols are ongoing and when an incident is reported to police we are now posting leaflets informing residents on how to keep their property safe and secure. Comparing figures over the same period as last year, we have seen a drop of 42% with regards to Theft from/of Vehicles on the ward.

Monthly Crime Prevention Advice

What do I need to do?

- Ensure your motorcycle or moped has adequate security and you have sufficient insurance to cover any loss.
- You are less likely to have your motorcycle or moped stolen if it has an alarm fitted. Alarms with movement sensors are preferable as they activate when the motorbike is moved.
- Fit a tracker which can be monitored with a smart phone app.
- A ground anchor and good quality disk locks, security shackles and chains will prevent someone easily removing your motorbike.
- Consider property marking your motorbike components with a suitable product. This will make it less desirable to thieves and harder for them to dispose of it or sell it on.
- Park your bike in a locked garage or enclosed area whenever possible. If not, cover your bike with a suitable cover and park in a well lit area or in a Park Mark approved car park.
