Ward Promises

At our most recent Ward Panel Meeting in February 2016 the panel and Police agreed to the following ward promises.

ASB on the ward - Police will be conducting patrols around hotspots where anti social behaviour is being reported. Patrols are ongoing and feedback we have received from shop keepers is that general anti social behaviour has been considerably reduced over the last few months.

Shoplifting - On Central Parade we will be conducting reassurance patrols and working with shop owners to identify offenders. Comparing figures over the same period as last year, we have seen a drop of 36% with regards to shoplifting on the ward.

Theft of / from Motor Vehicles - We will be conducting pro active patrols and leafleting around the ward to increase awareness and advise on how to keep your items safe. Patrols are ongoing and when an incident is reported to police we are now posting leaflets informing residents on how to keep their property safe and secure. Comparing figures over the same period as last year, we have seen a drop of 92% with regards to Theft from/of Vehicles on the ward.

Monthly Crime Prevention Advice

Personal Safety

- Prepare and consider your travel arrangements carefully and ensure someone knows where you are going, who you are with and when you might be home.
- Look as assertive as you can, walk with confidence and be aware of your surroundings and who is around you.
- Avoid short cuts and dark isolated areas, vary your routine and be discreet handling cash, phones and wearing jewellery in a public place.
- Never take your safety for granted and look after your friends so that they don’t become vulnerable. Remember your personal safety is more important than your phone or other valuables.
- Keep your bags close to you and secured with zips closed. Check your belongings and your pockets regularly.
- Wearing headphones and talking on the phone can make you unaware of your immediate surroundings this makes you appear vulnerable and gives an advantage to a criminal.
- If you use a cash point or ATM be suspicious if you see someone hanging around, if in doubt use another cash machine and have a friend watch your back.
- If you feel uneasy about an individual or situation, trust your instincts and leave the area and head towards a public place such as a shop. Pre book a licensed cab to pick you up or use a mini cab office. Never get into a mini cab off the street they are illegal and often uninsured and dangerous.
